

Данни за артикула: DTRT4285-B

Двойна метална врата, с перф. 80%, S-RACK 42U, W800 RAL9005

incl. hinges and screws

SCHRACK-Info

Doors DTRT are designed for installation on SCHRACK data freestanding enclosures of the S-RACK series.

Either in place of the standard glass door at the front or as a replacement for the rear panel.

Rear door allows easier and faster access to the back side of the built-in components in case of maintenance, repair or replacement of installed components.

Enclosures without door are available as an option.
