

Данни за артикула: LIFSL156K-

LED лента MAMBA 230VAC 15m 1500 lm/m 6000K

180W; with cable reel; can be combined up to a total length of 75m; including LIFSLCP153

Информация за продукта

The LED-MAMBA represents a revolutionary lighting solution that offers a perfect balance between mobility, flexibility and outstanding robustness. It is ideal for efficiently illuminating rooms, tunnels or corridors. With a selection of accessories such as extensions and T-connectors, the LED-MAMBA can be flexibly adapted to any application. Its quick assembly and disassembly optimises it for use in crisis and emergency situations. At the same time, it offers the option of permanent installation so that it can be used in a variety of contexts without any problems.
