

Данни за артикула: NLPMW049EL

## Евак. осв. РМ 6x1W ERT-LED 230V, за монт. на таван

With exchangeable lenses, corridor lenses in scope of delivery included, with supervision - centrally switchable, ceiling surface mounting, for illuminating escape rooms, IP65, protection class II, 1050lm

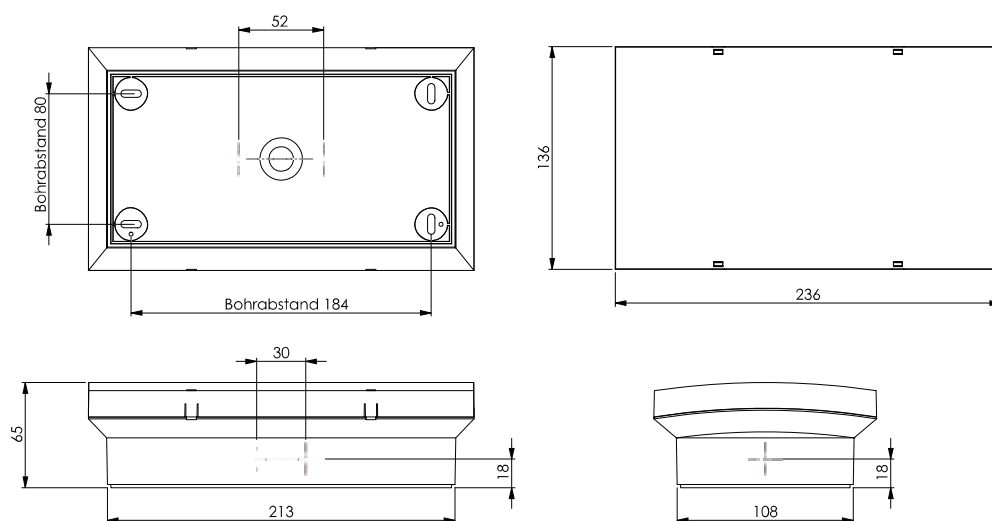

### Технически данни

|                              |                                        |
|------------------------------|----------------------------------------|
| Нето дължина (mm)            | 236,00                                 |
| Нето ширина (mm)             | 136,00                                 |
| Нето височина (mm)           | 65,00                                  |
| Нето тегло (kg)              | 0,70                                   |
| Тип осветително тяло         | авариен осветител                      |
| Автономност - централна бат. | Central power supply luminaire         |
| Функция                      | with monitoring - centrally switchable |
| Версия                       | пластмасов осветител                   |
| Дизайн                       | PM                                     |
| Безхалогенен                 | Housing made of halogen-free plastic   |
| Цвят                         | RAL 9003 (white)                       |
| Осветеност                   | ERT-LED (6W)                           |
